Starting now, I will host a giveaway for a code to 2 months of Xbox Game Pass Ultimate.

Valid for NEW Xbox Game Pass members only. This means that you cannot currently have a Game Pass subscription OR be a current subscriber.

How do I enter?

L33T, UB3R & V3ND0R USERS || Leave a Quick-Love, give as much positive popularity as your group allows, and leave a reply to this thread below.

NORMAL USERS || Quick-Love this post and post a response to this thread below.

Each individual member will have ONE valid entry. This means that multiple posts does not mean multiple entries. Your first reply will be your entry.

If you do post more than once, your entry will be invalidated.

Good luck to everyone who participates.
