Hopefully you get it this month just grind it harder. You know the ways now.

Do you know what would be dope? Award Upgrades on Award Goals so imagine the brating award theres 3 types of them and they upgrade each goal. Etc 100 just the Tie 500 Tie and Suit 1000, Golden suit and tie.

Same with a popularity once if it ever came to the point.

BRUH, you don't even know the half of it. This mans been competing with me and my rep for years ?

@zeus@ asked me to let him have MoTM in June of 2021 because I was gonna win it but he was like 1.5k rep higher than me, so I let him have it that month and said I'd get it the next. Wound up getting overtaken by some random Ub3r, and was never able to get it again cause of my rep count at this point.

In short; Zeus straight up yinked MoTM from me cause I was a homie
