Thread: [Octoberfest 2022](#)

**Omniscient** - October 1, 2022, 4:53 pm

It's that time of year again. Last year we had 2 specials and this year we have 2 more.

First is a new [Goal Award](#). Make 500 posts in October and get the Octoberfest 2022 award . And yes, if you have the previous award you can also get this too.

Second is a new donation award. It's the [Pint of Ale](#) . It's a \$20 donation and one per member.

Enjoy and thank you.

**Deany** - October 1, 2022, 4:55 pm

Just bought the pint, thanks Omni. Gonna try and go for the Pumpkin now!

**Fish** - October 1, 2022, 4:58 pm

Seems like a great way to increase activity for the month!

**Blazin** - October 1, 2022, 4:59 pm

I dnt see much increment in my award goal % anyways. Like I dint count. Doing like 5 or 6 posts dnt give any increase lul.

What about adding higher daily check-in goal awards? I've thought that would be really cool to see for a while now.

Could be different colored Ninja awards at streaks like for example:

100 post streak = red ninja

250 post streak = {color} ninja

500 post streak = {color} ninja

1,000 post streak = {color} ninja

I know I would definitely be going for all of them including the 1k ninja. Gaining an award that takes almost 3 years to get would be one hell of an achievement in my opinion lol.

Every 1% equals to 5 posts. So  $20 \times 5 = 100$  posts. So you're correct! Good luck. I'm almost there as well.

I'm donating for the Pint of Ale before midnight on the 31st I know that, but just in case I get down to the wire I'm just curious is all lol.

Around 65 more posts or so and I'll be there. This was actually a fun grind this year for some reason I'm ngl. In the aspect of just wanting to post around and have fun I mean.

No, if it's on the awards page it's only to make sure everyone gets their granted award from last months posts.

But it's been 10 days now and I'll remove it from view. Maybe next year.
