Michael - October 3, 2022, 6:02 am

I've bought several New Balance shoes, and really like them.

Pikachu - October 3, 2022, 6:15 am

Lacoste ? my fav

Komodo - October 3, 2022, 6:25 am

Been wearing vans for years, don't really care what the shoe looks like.

Goku - October 3, 2022, 6:55 am

This is my newest and my fav at the moment. They are really comfy to say the least.

I really want to get the New Balance 550, idk what to think about them. They are really nice, but they look just nice in pictures? I need to check them out in the store, actually.

I'm on this facebook group for discounts on Amazon, and some other sites. They had these slip on Adidas shoes for \$28. I decided ehh screw it lets give em a shot. The came in 2 weeks ago and easily my new favorite shoes.

I'm pretty tough on shoes though, I go through them quick. I kill new balance, nike, fila, adidas quick. I keep thinking about getting a pair of vans.

Side note. I have a pair of PF Flyers, guaranteed to make a young buck run faster and jump higher. Love those but they take forever to put on. When I was a kid they were all I ever wanted, finally ordered them last year and wore them to my wedding.

I've realised I tie my laces once and treat my main shoes like slip ons. Probably not the best idea

Thanks buddy ! I'm lucky me feet are big (47EU) so they were not the most expensive regarding other sizes, I bought them 280€ with taxes etc, for other size like 39-40 it's more around 400€, without taxes and import haha

Yeah I'm a larger footed guy so I'm in the same boat (no pun intended) that's not so bad at all price wise, nice!

Adidas ultra boost. Easily the most comfortable shoe I have owned, would recommend.

Yuno - October 3, 2022, 3:02 pm

Nike free runners are my daily kicks when I wear sneakers, otherwise, it's sandals.

630 - October 3, 2022, 3:08 pm

I'm still stuck in 2017 with my shoe choices... however I will link some below that I really like and some ways to find them cheaper / on sale if you're in the USA.

Ultra Boost 1.0-4.0

Ultra Boost 21/22

New Balance 997S/H

<https://twitter.com/BOOSTLINKS>

<https://twitter.com/JustFreshKicks>

Those two are the ones I use to find good shoe deals.

I prefer Adidas for the price. Plus they look pretty good.

LeetSpeed - October 4, 2022, 8:53 am

I wear only adidas shoes.

blackrose_x0x0 - October 4, 2022, 8:56 am

Vans shoes for casual and everyday stuff.

Nike and New Balance for all things athletics and sports related.

Royal ! - October 4, 2022, 9:01 am

Don't really like spending too much on clothes/shoes and stuff like that. So, uhmm I'd say Puma does the job for me.

Th3SiNz - October 5, 2022, 1:18 am

I wear running shoes specifically airmaxes or one of my set of Belvederes

Shaggy - October 5, 2022, 1:28 am

I always wear the same old Converse All-Stars Black. It's been my style since when I was a teenager.

Yanix - *October 5, 2022, 1:34 am*

Always love to wear my classic van sneakers.
