Thread: [How often do you check the goal awards?](#)

SourceCode101 - October 8, 2022, 4:16 pm

Well i just don't , and the reason is i dont care when i will get it or no

Eran - October 8, 2022, 4:26 pm

Well, the only active one I'm going for right now is the pumpkin (my second one). So I don't check it. Other than that I don't check it. I'm at 2/5 blogs submitted, I'll try to get the remaining 3 in within a week. And if WC is going to be in the sportsbook then I'm probably gonna check it a few times to see when I reach 100k.

Mac Miller - October 8, 2022, 4:47 pm

Every 5 minutes bro ahaha...

I didn't even know you could check. Your methods seems to be working for you though. You're loaded with Awards.

Komodo - October 8, 2022, 4:52 pm

I've gotten all the ones I think are achievable.

Besides the 24k posting whenever that happens I don't see any others coming my way. No need to check anymore.

Yuno - October 8, 2022, 4:53 pm

I check how close I am to the pumpkin maybe once every 2 days.

Yin Yang - October 8, 2022, 4:59 pm

I don't check it as much as I used to.

Everyday because I'm trying so hard to get 4 awards otherwise I wouldn't check it. Thanks for asking lmao.

Cap - October 8, 2022, 5:04 pm

I check on it once in a while if I'm trying to target an award. Maybe a few times a week or so.

blackrose_x0x0 - October 8, 2022, 5:09 pm

Not too often except recently, I've been checking it daily for the pumpkin award. Got a ways to go still.

I have yet to check on these statistics personally, but this is probably due to the fact that i didn't know this tracking was available and am still exploring and refamiliarizing myself with HF after a long break. Very glad to be back though, and to see new features such as these...

Now that I am aware I will most likely track these stats once a month if not a tad more frequently.

Cheers,
