Currently doing a \$500 deal with the user. I paid out my side. Will update once trade is done.

He has still not responded and not provided an answer. He did not send his side of the deal and did not refund me. It's been 2 days.

I will have to open a deal dispute.

Edit: I opened a deal dispute because the user Ruggzee has been ignoring me. DO NOT DEAL WITH USER UNTIL THIS IS RESOLVED.
