molly69 - October 11, 2022, 6:07 pm

The movie isn't very scary tbh. Let us know your thoughts once you watched it.

Yin Yang - October 11, 2022, 6:11 pm

I haven't seen either, so I'll decide tomorrow which one I'm going to check out.
I'm not big into movies myself, but she is.

I'm pretty picky when it comes to finding something I want to focus on for 2 hours.

Scream is great just because the killer is a badass. I'm talking about a 90s scream not the new one.

1 & 2 are great, 3 and 4 suck. Haven't seen the new one yet.

Just watch it... not a big deal...

I literally just watched Thumbelina the other day, the 1994 version with my wife because she really wanted to.

It was boring and with too many songs, but eh, it made her happy, so it's all good.

Charlie Sheen - October 11, 2022, 11:31 pm

What'd you guys think of it? I thought it was great all the way until the end. End kind of ruined it for me.

sweatpants - October 12, 2022, 12:49 am
