What do you guys prefer? I'm more of a juice person myself.

Recently been into the sparking water kick. It's been a nice mix-up from straight up soda or tea.

Mac Miller - October 12, 2022, 12:19 pm

I like juice and soda

Cranberry juice with gingerale + vodka mmm

Livewire - October 12, 2022, 12:56 pm

I prefer soda just got the caffeine content.

Juice if I want something refreshing. Mainly orange juice.

Discreet - October 12, 2022, 12:57 pm

I'm a tap water man myself.

Meowth - October 12, 2022, 12:59 pm

Out of the two, I prefer soda. Although, juice is good as well. I love a glass of freshly squeezed orange juice.

I'm an even bigger fan of sparkling water. I have this Mio water flavoring that makes carbonated water taste like Mtn Dew Baja Blast.

Yin Yang - October 12, 2022, 1:00 pm

I usually do water or diet coke

Maybe if you have awful taste buds. Regular water > Sparling water.

Regular water is best but sparkling water is still good. Though I can't tell you the last time I had tap water.

However, it's hard to get juice & I'm lazy to make it myself so soda wins I guess XD
