shakur123 - October 13, 2022, 11:05 am

chessmaster123 - October 13, 2022, 11:10 am

Discreet - October 13, 2022, 11:11 am

Depends on my mood, but I'd probably take a Bigmac. Then again I do love me a Famous Bowl from KFC...

StuffSneak - October 13, 2022, 11:12 am

KFC >>> Mcd. However, MCD is also great.

Damn I just realized it's been an insanely long time since I've had either of these 2.

Imma have to get McDonald's breakfast again soon fr. I always loved the McGriddle it's so fire

Michael - October 13, 2022, 12:34 pm

KFC all the way, no questions asked.

Did you assume my preference? But McDonalds it is.

Pikachu - October 13, 2022, 1:41 pm

KFC is better ngl but mcdonalds is more accessible since they're everywhere. Also KFC is more expensive. I eat more McDonald's than I do KFC but that's because they're cheaper and more convenient

Prayz - October 13, 2022, 2:08 pm

McDonald's always been ass.

KFC used to be good but it's also ass now.

So whatever the kids want

WickedTech - October 13, 2022, 2:10 pm

McDonald's obvs. Especially where I live, the KFCs are the absolute worst. They're all so gross, my order is ALWAYS fucked up, and staff are generally rude as all hell.

StuffSneak - October 13, 2022, 2:20 pm

Why would any non-vegetarian ever choose Mcd over KFC?

N - October 13, 2022, 5:23 pm

How you compare KFC to McDonald's ? If I want chicken I'll hit up KFC, if I want a burger McDonald's ?

TB12GOAT - October 13, 2022, 5:27 pm

Mcdonalds all the way, KFC is trash.

mickeh - October 13, 2022, 6:55 pm

McDonald's is more convenient where i live but id rather a KFC

Yanix - October 13, 2022, 7:45 pm

I will go with KFC all the way. McDonalds sucks nowadays not even selling large fries.

Nate - October 13, 2022, 7:48 pm

I do like KFC more, but. I got to McDonald's more often then KFC, my closest one is just out of my ordinary routes for work or where I'm going

Charlie Sheen - October 13, 2022, 7:52 pm

Ah man. Right now I gotta say McDonalds. KFC has killed quite a few menu items that I loved.

Vitani's Mate - October 13, 2022, 11:42 pm

I prefer KFC but it depends on what mood I am in.

KINGTOBO - October 14, 2022, 12:27 am

The local KFC where I live is fucking horrendous. Their chicken is always weirdly dry, they always get your order wrong, and it's just so goddamn expensive! I prefer Mcdonald's over KFC where I live, but anywhere else I'd take KFC.

MoonP - October 14, 2022, 12:29 am

McDonalds is cheap and easy to go.. KFC is very slow and expensive... I prefer McDonalds

Goku - October 14, 2022, 12:38 am

Definitely KFC.

McDonalds used to taste great when I was younger. They have changed a lot. Also, their building is fugly.

Now it tastes like plastic.

Burger King is way better.

sweatpants - October 14, 2022, 12:42 am

KFC is better, no debate. McDonalds is too mainstream imo.

Bastille - October 14, 2022, 12:58 am

KFC for the food quality, real chicken meat. When I see Mcdonalds sandwiches it doesn't look natural ...

PxPxPx - October 14, 2022, 1:21 am

KFC obviously but nothing beats a tasty sauce

To be honest, I bring my own sweet and sour sauce to KFC.

It's from a local pizzaplace I know, but it's damn the best lol.

jcole - October 14, 2022, 1:34 am

I like both, but if I was choosing I would eat McDonald's. There isn't anything on their menu that I don't like.

Jean Noah - October 14, 2022, 1:53 am

Both are great at their own places, but I like KFC more than McDonalds.

Koyote - October 14, 2022, 4:00 am

I prefer KFC for taste and comfort, McDonalds for ease or when I'm out and about till late and need something to hit the spot.

?ord Frieza - October 14, 2022, 4:29 am

Less death with KFC at least you know its chicken. I don't know what McDonalds is.

BiNBo - October 14, 2022, 12:35 pm

Now, I understand that not everywhere has them, and while I disagree with that it's all about the Bojangles chicken and biscuits. Once it's Bo'Time, its all over.

DashPHP - October 14, 2022, 12:39 pm

I've ordered McDonalds probably 10x more than I do KFC, so defo McDonalds. xD

Are you a vegetarian? If not, how could you not like Chicken.

SIM-4932765 - October 14, 2022, 3:05 pm

Both are good but I'd say KFC because of taste and price.

Royal ! - October 14, 2022, 3:28 pm

McDonalds for me. KFC gives me upset stomach literally everytime.

Cunt - October 14, 2022, 4:00 pm

KFC Is way better. McDonalds is trash.

The - October 14, 2022, 4:43 pm

Chicken McNuggets over KFC any day of the fucking week.

The Pact - October 14, 2022, 5:25 pm

I'm scared of KFC. It's messes me up. I haven't gone there since the 90s because after I eat it I have homicidal thoughts the next day.

But then I did try to order from KFC drivethru, just after lockdown in 2021, just for a change to see what it's like again. But when I got to the window and placed my order they said "we are out of chicken." I was like "With the what now? What did you say????? And they said "we are out of chicken."

I either ordered a Coke Zero or I drove away. Actually I think I just was too disgusted and drove away.

Can't really remember.....all those lockdown times are a bit of a blur, and it was still kind of lockdown, except we were allowed to go out, but with all these strict rules, and only allowed to do a few things, and going to drive throughs was one of them so that's probably why I guess. I dunno.

There's a lot of no real chicken pieces at takeaways now. All they want to give you is chicken strips or "chicken popcorn" or some shit and I don't buy any of that.

I do eat KFC, but the original recipe batter tends to fall off easily after a couple of hours so you really have to eat it when you buy it. McDonald's is delicious man, I love spicy mcchickens

You prefer McD's chicken sandwich over KFC chicken sandwich? ?

The Pact - October 14, 2022, 5:32 pm

The only actually good thing to eat at either of these places is the McDs breakfast stuff.

But they have to be annoying and not let you have the good stuff after 11 or lately they did extend it to 11:30. I do like a Big Mac but I really shouldn't be having that sh**.

Oh when I was a teenager I'd have a large fries and a Big Mac and a chocolate shake and it was very nice to have all that but I should never have eaten like that really. That's how you end up unhappy about your weight and having to go on a big diet and exercise programme later.

(Oct 14, 2022 05:31 PM)Upgrader Wrote: [\[CITE\]](#) You prefer McD's chicken sandwich over KFC chicken sandwich? ?

Oh definitely not haha. A mcchicken is hardly real chicken at all, it has nothing on the crispy chicken sandwich the colonel provides. But I can buy like 2-3 mcchickens for the price of a KFC sandwich

?nxy - October 14, 2022, 6:11 pm

KFC most certainly. Fried chicken with hot sauce yummm.

Blazin - October 14, 2022, 6:12 pm

Depends on your mood to be honest. I think they are in different leagues.

Jinu - October 14, 2022, 6:42 pm

McDonald's is not available in my place and I haven't had anything so far. But I had food at KFC. I like the Zingerr Burger.

Money- - October 14, 2022, 7:26 pm

MCD preferably. KFC sometimes for its chickens too. But MCD have great chickens also.

Aeowulf - October 14, 2022, 7:27 pm

Both are horrible.

I'd only try the Beyond nuggets at KFC, but only as a last resort.

HEISENPUG - October 14, 2022, 9:34 pm

Funny you should say that. WTF do you think MILK is?

Plants have phytoestrogens. Mammals don't process like phytoestrogens the same way they do mammalian estrogens, like milk. The bad rap soy has, should actually be pointed at milk.

(I don't think you would recognize any names I mention as they aren't widely known)
