Thread: [What is your Countries best Snack/Candy](#)

Discreet - October 13, 2022, 11:46 am

I was talking with [Bastille](#) who is from France, and he hasn't tried a lot of American snacks before because they don't allow them in his country. So I want to know what Country you're from and what's your best Snack/Candy so maybe I can get it and try.

Well I will talk about my region from my Country. I am from Maharashtra State from India. here most famous snack would be Vadapao (Which is like a burger. A potato patties wrapped in a bun) & also Misalpao.

Obviously high tier hotdogs >> corn dogs.

But for cheap/average I definitely prefer a corn dog. Is that a weird take or?

Cold Reece's cup is insane. Easily one of my favorite candies. Tbh any cold chocolate is just automatically better.

Kit Kats are definitely top 3 chocolate for me though. I imagine they're popular in other countries too? Or are they not. Never really thought much about it.

I'm in love with root beer barrels and cherry sours for candy.

I'm American, also I heard Oreo's are made in Mexico, does that mean it's a Mexican snack?

It's more of a meal than a snack as it's so large, but a pork and stuffing sandwich made my a cart vendor on the old high streets of England was the most amazing thing ever. Warm, filling and so comforting.
