[Gary](#) accepted my buddy request... but he won't make me admin in his discord, what does this mean for our friendship?

Prayz - October 14, 2022, 5:34 pm

It means he doesn't actually like you

That's what I was thinking, I don't know why he would do this to me. It just doesn't make sense.

It doesn't feel like a real comrade when I'm a basic rank in his discord...
