Thread: [Colorado woman ties up & stabs male \[BRAND NAME REMOVED\] date.](#)

The Pact - October 16, 2022, 9:49 pm

The 22-year-old is accused of stripping him naked, duct-taping him, choking him, and slicing him up with a knife before she ordered something to eat on DoorDash

(There's no DoorDash around where I live I'm stuck with Uber Eats.)

What a crazy bitch! She was doing some reenacting of some Jeffrey Dahmer shit. Good on the guy for being chill until he got his moment to escape. It's unfortunate because she probably will be out of prison in a decade or so.

Truth - October 16, 2022, 9:56 pm

wtf, what kind of male is this? weak af or probably just low IQ

As far as the women, did she watch the jeffrey dahmer crap and get inspiration or wtf

Only because he lived and that's just how it is with attempted murder. Is this a reenactment of something that was in the recent Dahmer documentary?

A lot of times when I see men online complaining that "women" are getting light sentences it turns out the "women" were under 18, and got light sentences because they were minors. Although it's possible her defense lawyer could get it down to assault charges.

I wouldn't exactly say it is a reenactment, but the last black man that dahmer tried to kill he lured him back to his apartment, drugged his beer, put handcuffs on him, threatened his life with a machete, laid him on his bed, and when dahmer fell asleep got his chance to escape and was found by police outside running in an alley looking for help. Just seems familiar

I think you're right as it seems that documentary really seems to have made an impact on a lot of people. I keep seeing Reddit threads related to it.

I wouldn't mind having seen it. I never pay for cable here because I don't think I'd get all the good stuff from the USA.

But I can't image a girl with a knife overtaking a grown man, the girl in the pic looks frail, pale and weak.

idk, crazy times we live in, drugs and the govt are to blame imo

Yep, he or they both were probably on drugs.

Really crazy times

She duct taped him while giving him a BJ. 90% of violent crime in the USA is done by men is one statistic I've heard so this is pretty unusual.

(Oct 17, 2022 06:10 PM)shatter Wrote: [\[CITE\]](#) damn haha she sucked his dick and then cut him lmao That's often how it works in these cases of a tiny woman overpowering and killing or in this case getting started killing but then getting distracted by being hungry and ordering Door Dash. Not that this happens a lot. It's very rare but there was another case where these three women wanted to be vampires so they did this and the guy got the idea to hide his credit card at the scene cause he thought they might rob him seeing as three women were coming onto him out of nowhere, but it ended up being how they caught the women who said they'd dropped him off in town, but they found his credit card hidden in a crevice in their driveway I think.

Their plan wasn't to rob him but to drink his blood.

She disarmed him by starting to fellate him and the duct taping him and then continuing and then stabbing him after she finished.

Vibe - October 19, 2022, 6:52 am

What'd she order on door dash after that lmao

Lindros - October 19, 2022, 12:32 pm
