Thread: [Once a Lurker, now a user!](#)

voidhacks - October 17, 2022, 2:57 pm

Hi everyone,

I've been lurking on the site for a while now, scrolling through the hacking & ewhoring pages for info every now and then. Since I'm scaling up my online business more now I thought it would be worth making an account and being a bit more active!

Hope you're all having a good day

Thanks,

Void. ?

I hope you get all the clients! You will probably want to consider upgrading your account before selling any services.
