Man these are pretty nice games to be honest. The only one though i am really interested is two games Game 4 and Game 5. Its a tough decision which one to choose from okay lets make a deal. For god knows why if nobody participants in game 4 and game 5 can you give me both?

and if somebody does then i would like my entry to go to Game 5 Narcos Rise of the cartel. I am more of a FPS genre gamer and this fits the bill and to boot it is based off from a series which is for lack of words very popular hhaah. But bottom line is I just love to play games i like. And i would love to play this one too :)

Aka do not forget the deal i made one sided for game 4 & 5 :P :)

If we're adding an exception then there needs to be a new rule introduced to that .

I will mark your entry as 4 and 5, if nobody requests them they're yours, as long as you can provide proof you willl be playing them personally (a photo or video caption of your steam account library alongside your profile on HF, before and after receiving the game will suffice)

jcole - October 19, 2022, 10:14 pm

I would like to enter for game number 5 please.

Annies - October 19, 2022, 10:19 pm

Game number 2 for me btw thanks

DingoOH - October 19, 2022, 10:44 pm

I will take whichever one is available thank you.

I know, but that game looks like the most interesting to me ? I probably won't win anyways

Upgrader - October 20, 2022, 12:02 am

Entering for Narcos: Rise of the Cartels, just finished Narcos and would actually play it, reviews seem eh but it looks well made. Worth a try :)

Reporter - October 20, 2022, 12:20 am

- comment which one you would like to receive

5th game

- with reasons why you want the game

Steam page seems interesting and I'd like to give the game a go and play it myself on the Steamdeck.

Thanks

I would like to enter for Pumped BMX Pro if this giveaway is still going on. I've seen these types of games played before but have never played one myself. Looks like a good few hours of fun to try out.
