Who here smokes cigarettes? What do you enjoy about them?

jcole - October 20, 2022, 5:27 am

I don't smoke cigarettes, but some people in my family are addicted to them. They will smoke a pack a day. I have smoked every once in awhile, but don't find the craving to smoke them. I think it's a bad habit to pick up on.

Videosten - October 20, 2022, 5:29 am

I smoked some i found(disgusting) and it was too bitter, i dont suggest picking up a smoking/vaping habit unless you know the danger

Mac Miller - October 20, 2022, 5:30 am

Occasionally when my one friend who smokes is over. Sometimes I'll get a vape.

Vibe - October 20, 2022, 5:30 am

I don't smoke cigarettes personally

Not any more, honestly there horrid things and wish they wasnt around.

Jinu - October 21, 2022, 4:35 am

I never smoked and not going to smoke in the future. I have some bad allergies to the smell of smoke.

Bastille - October 21, 2022, 4:49 am

I used to smoke a lot of cigs, now less, I'm quitting

I only smoke when I'm angry

BiNBo - October 21, 2022, 5:36 am

I've been cutting back on a lot of unhealthy habits including cigarettes. Still, smoke a solid pack and a half a week. Honestly I've never met a smoker who'd tell someone, "Oh yeah, you should start! It's great!" It's definitely a bad habit lol, but the buzz goes from nice to necessary real fast, it has a way of creeping up on you like caffeine does but far worse once those nicotine cravings kick in, next thing you know it becomes a soothing activity and you train yourself to become both physically and mentally addicted. It's a slippery slope, that really doesn't even taste good and leaves you smelling.

I do think that a nice cigar, flavor and all, can be an enjoyable experience. However, I don't recommend cigarettes.

Sys-3200 - October 21, 2022, 5:55 am

Used to smoke almost daily, now I'm cutting it to just the weekends when I hang out with friends. I'm planning to completely quitting though.

bevc - October 21, 2022, 5:58 am

I used to be a heavy smoker (more than a pack of 20 per day), but quit awhile ago. It's a ridiculous habit really, but very difficult to break. More addictive than heroin, so they say.

xyyyxx - October 21, 2022, 6:00 am

I smoked heavily for like 5 years and by the end I was at a pack a day for at least a year and that was with a 10 hour work day at the time. shit was brutal. Havent smoked a cig in like 2.5 years tho, been vaping ever since. I know its not the best and im still adicted to the nicotene but god damn it could be worse

pms - October 21, 2022, 6:11 am

I do smoke ciggs once in a while. Mostly when I'm drunk tho.

shakur123 - October 21, 2022, 6:16 am

I only smoke cigars now, its better than cigs or vapes IMO

Bullup - October 21, 2022, 12:03 pm

I smoke cigarettes but i'm in the process of quitting they are disgusting.

Nate - October 21, 2022, 1:16 pm

I be smoking my Vape, but sometimes I use tobacco in my weed

DeepWeb - October 21, 2022, 1:18 pm

No i do not, i dont like it

StuffSneak - October 21, 2022, 1:34 pm

I don't unless I am on trip and around people who smoke

oRequiem - October 21, 2022, 1:43 pm

I've tried it, but never got into it really.

I just vape now.

Norg - October 21, 2022, 1:47 pm

I smoked 20 a day, now I have two disposable vapes a day instead aha.

Tobacco in weed? I feel like weed would be good enough ?

Casp?r - October 21, 2022, 3:21 pm

I roll my own cigarettes. about 5 - 10 a day. I do enjoy smoking with a beer or after a meal. but I will try my best to quit.

Just gotta find good alternatives, wish you the best on quitting that one day.

Prettykitty - October 21, 2022, 5:40 pm

I don't, glad that I never do either... It's a waste of money and it smells.

mickeh - October 21, 2022, 7:11 pm

I smoke a few cigarettes a day, i need to quit tho

Bluffer - October 21, 2022, 8:18 pm

I don't and I really dislike the smell. It frustrates me when coworkers smoke cigs in confined spaces and I have no escape.

But sometimes (very rarely) if I'm drunk i'll snag a cig off a friend and have a dart.

Nah I don't like them. I've been vaping for a bit but I also live a above average active lifestyle.

diablospartan - October 22, 2022, 3:38 am

I smoke quit a lot of cigarettes .I think my brain get used to them

Vitani's Mate - October 22, 2022, 3:44 am

Yeah I smoke cigarettes. I am actually rolling one right now. xD

I used to smoke, but I slowly transitioned into vaping and now I do it less and less.

I'd say taking your mind off it and finding things to do all the time is what helps you stop smoking.

Pentatonix - October 22, 2022, 6:17 pm

Fortunately, I never got into tobacco or vaping.

Slim - October 22, 2022, 7:35 pm

Nope I used to smoke lucky strikes but I stopped because I like to think i'm not a complete moron....
