Thread: [Scraping Websites - Tech Data](#)

penza7 - October 21, 2022, 11:21 am

We will look under the hood to identify the technology that drives business online!

Want to find?

- Ecommerce websites using Shopify
- Sites boosting traffic with paid advertising
- Fashion houses doing advanced web analytics
- Vendors selling cycling equipment
- Businesses that have GDPR privacy laws
- Companies using Salesforce
- Ecommerce websites in the UK

This is essentially like Built with but a LOT cheaper!
