If you have to ask how to install it you don't have enough IQ to use it. I'm sorry I don't make the rules.

Funny

(Oct 25, 2022 10:40 AM)shatter Wrote: [\[CITE\]](#) mfw you cant install kali
I've heard that installing Kali in a VM is a better option, but you can certainly install it on bare metal.
You just download one of the installer images.

Relatable lol.

Except I did it with my dads laptop.

^ This

There are hundrets of tutorials out there how to install any distro via vm.
If you cant even do that, dont bother further because you only gonna shoot yourself.

And as you can see, beeing childish does not get you any help.
