Thread: [How To Clean Boot Mid-Sole](#)

RRam - October 25, 2022, 10:51 pm

attempting Yeezy crepe boots the heel of the right boot mid sole rubber has some dirtying, how can i remove this top layer to the fresh rubber and keep it clean

Use a firm tooth brush.

Cooligan - October 27, 2022, 7:11 pm

Painters tape and an exacto knife should do you just fine, that's what most shoe restoration YouTuber's do.

Slim - October 27, 2022, 9:44 pm

Now that I think of it, it's kinda interesting there's not a sneakerhead section in the forum.
