Thread: [\[SEO CTR BOOST\] REAL TRAFFIC FROM GOOGLE | NICHE RELATED VISITS \[NEW BEST SEO METHOD\]](#)

kvni - October 26, 2022, 10:38 am

Hello everybody,

we are offering a new service that improves website's SEO, organic traffic and brand searches.

This is obvious that specific brand name searches improves rankings - and here we come! ?

We offer:

Real Branded Searches – People will look for your brand in search engines. It can be just a brand / product / domain name, but it can also be a name + add-on like: xbrand shop, xbrand agency, etc.

Real Brand + Keywords Searches – People will search for your brand along with the addition of a custom keyword. For example, if on an xbrand website you have an article “how to create a website”, people will search for related keywords, such as “how to create a website xbrand guide”.

?Niche-Related Brand Searches? – Maybe it is not a better version for website positioning than the previous two, and yet it is valued the highest. Why? ONLY people who are interested in products / brands in your category will visit your website. For example – someone is interested in a product of a competitor. And thanks to us, it comes to your website. From the search engine. It is a service that can help you get conversions and sales for many months. Quite passively.

YES, YOU READ IT CORRECTLY! NICHE RELATED VISITS FROM PEOPLE INTERESTED IN YOUR PRODUCT ?

And yes, it's guaranteed ?

How long is the campaign running and how long can I receive traffic?

It depends on your choice.

You can receive traffic up to a year after completing the campaign (and in practice, even 5 years).

We conduct buzz marketing and viral marketing activities. However, people interested in your competitors' products can choose your product.

The amount of traffic depends on the niche, country and users. Nevertheless, we see about 50-500 real users DAILY.

The longer the campaign, the more time it will have to accelerate and the greater this traffic will be (similarly - it will last longer).

The duration of the traffic acquisition (we take up the activity) depends on your choice. Below is the

price list.

Interesting. May be back for this when my next website is live (about a month out from now) and see if we can produce results and form a long term partnership. Will be interested to hear other reviews by the time I check back. GLWS
