Thread: [Goal Awards - Award Goals](#)

Damn fucked up the poll it's "Award Goals" not "Awards Goal" but you get the idea lol

<https://hackforums.net/myawards.php>

Button shows "Goal Awards"

When you click on it it says "Award Goals"

<https://hackforums.net/awardgoals.php>

Since the link is awardgoals.php I'd suggest changing the button to "Award Goals".
Once you see it you can't unsee it ????

Cooligan - October 27, 2022, 2:04 pm

I've always called them Award Goals, that's how they're listed in the drop-down menu as well:

Voted ?
