Thread: [90% OFF STEAM GAMES/EPIC GAMES](#)

Swedi - October 27, 2022, 2:28 pm

Selling a service 90% off any game on Steam and also works for Epic Games, their games or even vBucks you can get for 90% off.

15\$ to set your Epic Games region to Turkey, wont affect anything you will just get cheaper games or vBucks.

Already Made Steam Accounts Turkey Region Already Set = 8 USD

If you want your main account to Turkey Region, it will be 20 USD, one payment only and cheaper games forever.

One Time Payment Only for lifetime cheaper games!

I offer full warranty. This is all legit and no worries you can set up Mobile Authenticator and secure your account if you feel unsafe. By that I mean logging to your account is needed to activate it! No chance of ban.

Accepted payment is all crypto/altcoins, I will be adding my Discord and Telegram later. You can contact me here on forum.

For couple first people price for already made account is 6.50\$ and main account 17\$, epic games 13.5\$ to see my offerings are legit. More services to come!

Will this work for buying COD MW2 on steam?

If so im interested.

Imk

ImkYes, you can either buy already turkey set account from us or I can do it for your main account.

You can check Turkish Prices here: <https://steamdb.info>

vBucks and Epic Games are so much cheaper too if somebody needs it.

No chance of ban! Done this many times over a year.

Isn't argentine accounts worth more? it shows turkish call of duty is \$59 converted and argentine is \$44.

Is your 90% off games for any game? I'm curious.
