Thread: [\[Full Mentorship\]\\$9,999+/MONTH\] Get REAL models for OnlyFans/Adult Work+\[BRAND NAME REMOVED\] GUIDE!](#)

Zigsonnnn - October 28, 2022, 8:26 am

Hello everyone.

I decided to sell the full method on how to find girls willing to do OnlyFans under your or someone else's management.

You're seeing everyday that everyone is making bank with OF?

Always wanted to do it yourself but didn't have model?

You don't want to buy shady onlyfans 'verified' accounts?

Want to start your own model agency service, model rental service, split cut service (your model someone else managing) or any business model including adult services?

Seek no more. I'm selling 3 copies of the method I found myself and which noone is using.

I'll start with what you're going to be getting with it and then under the many things you'll receive that will get you started and skyrocketed as a manager, you'll see prices.

So, once you purchase this method you'll receive the following:

Full support on the method setup, spoonfed to you by me.

Fully uncensored method on finding models that are willing to do OnlyFans.

Unsaturable.

Software that I'm using (for which some of it is made privately for me).

Full setup of the every account needed (guidance, pics of the accounts that I'm using, etc.)

Did I say this is set and forget setup? ? Meaning once you set it up, it automatically works with you doing almost nothing.

Branding.

OnlyFans contract templates & how you handle both yours and models signature.

How to setup the onlyfans, how to verify it with her and how to set up cashout on onlyfans.

How to be in full control of the models, onlyfans, cashout, payments, etc.

Fully scalable method, find as many models as you want.

BONUS: Working [BRAND NAME REMOVED] method to generate traffic to your OnlyFans (Can be used for other stuff too like regular ewhoring, etc.) Easily generate 1000+ [BRAND NAME REMOVED] -> Snapchat adds daily.

Investment needed for the method:\$30 one time or twice a month depending how you want to scale it. (Or \$100 for 1 month)

\$40/month (this is needed)

Around \$20 + \$20

\$200 - If I wouldn't give you essential software that I'm using that was specifically made for this method.

\$600-\$1000 - If I wouldn't give you bonus [BRAND NAME REMOVED] method (this is fully optional and not related to finding models, but you gotta have traffic for your OnlyFans or ewhoring adventure, right?).

Total investment in the method = ~\$100-\$150

Total value of the method = As much as you want to scale

I sold about 10 models in October, \$600-\$800 each, made \$6,500, also I gave away few to friends, could've easily made \$10,000 this month from this method alone if I haven't had other work to do.

It's easily scalable, depending on what you want to do with these models.

To recap, you'll be literally spoonfed on how to setup method, how to contact girls, what to answer on some of the questions they might have, how to brand yourself, how to sign contracts with models, how to make, verify and set up cashout options for onlyfans, how and what to post on onlyfans, how to be in full control of everything & on top of the everything you'll get latest, working [BRAND NAME REMOVED] traffic method.

That being said, we come to the pricing.

I'll be selling 3 copies:

1st Vouch copy: \$1500

2nd copy: \$2500

3rd copy: \$3500 - Limited discount: \$3000

Middleman is accepted.

Prices are final, vouch copy will be the cheapest and the buyer will have the obligation to write a vouch & his personal objective opinion on the thread.

For any questions, PM me, start a convo or hit me up on discord: zigson#5109

P.S this could be you once you receive the [BRAND NAME REMOVED] bonus method ?

Since you confidently claim this will yield me \$9,999+ per month, I have an offer for you. I want the second copy, but instead of \$2500, I will pay you \$3000. Once you help me set up this method and I am making thousands of dollars per month (I will dedicate all of my time to this; I have a huge passion for E-Whoring and what it entails), I will pay you a lump sum of \$3000 from my earnings.

Since you can teach me how to make thousands doing this (per month), you will have no issue receiving your \$3000 payment from me. I do not see why you would decline this offer, but do tell me what you think, and I am open to negotiations.

First of, you joined few days ago so that's a no from the start.

Next, even if you were a reputable member I wouldn't waste my time by giving you all of this + mentoring you until you set it up and then to wait on you to pay me.

Next, I don't confidently claim anything, I just stated my earnings with utilizing this method.

Reason for not claiming anything is: I can't force anyone to work on this even if they pay, it's up to the person if he'll not be lazy bastard, because this method is simple and even a monkey could do it. One and only reason for that is because I made it simple after spending hours and hours, days and days researching and thinking of how to make it work better and that is not to even mention money I invested in it. So someone would consider your "offer" rude.

So long story short, you can buy a vouch copy, we can use trusted middleman from hackforums.

If you didn't get it just yet, my answer to your offer is a big no.

Don't need to be a dick about it, bud. It was just an offer. No need to be on the defensive. You have a piss poor attitude, and I won't be working with you anyway. But good luck! :)

I'm not really a dick and I said this & explained my point of view in nicest way possible as an answer to your offer.

Because this is first time I was offered something like that and I can't understand the logic in it. It's like you Slyboo.ts, made something yourself, spent days working on it, invested money in it, decided to pass a full knowledge for a certain price & someone comes to you with an offer like that, plus he/she proposes it in a somewhat cocky attitude way, what would you do?

But let's move on.

Also if I may ask where's your proof of income of making \$9,999 a month?

There are many more trusted and reputable middlemans than you.

Since you decided to harass me, get your facts straight, I didn't mention anywhere I earned \$9.999 from it (but I am ?), I said it's scalable to that & much more. You heard about onlyfans right? + I don't

post fake proofs and shit that 95% of sellers post here.

But here be my guest, album of sales:

<https://imgur.com/a/6qCz6jt>

I cba finding more convos my discord is a mess.

And that's only sales of models, that's one side of this method. If you read whole thread you should've known that.

Now for the last time, stop harassing me and move your way.

Thanks.

Repeating myself again, accepting middleman for this method, from hackforums, with bigger rep than nintendo here.

Is this method not just reaching out on seeking.com with fake flexes?

xXneoXx - October 28, 2022, 3:44 pm

Love these gurus. They claim to be making \$10k+ yet are selling a course. Nothing is easy in this world, if you want to really make it big, you need to build long lasting relationships with your models, simple as that.

Not at all, first time hearing about it.

it's private method, haven't seen anyone doing it.

& I love random guys without any credits calling someone "guru" and being sarcastic.

Who said anything about that, you read title but not the thread and you come and comment about someone you don't even know about.

Instead of trying to i don't even know what you trying, invest some money, be spoonfed & make some real money :)

Or continue buying methods for 40 bucks that will make you rich.

Btw, it's not a course it's full on guide with 1-1 spoonfeding if you know what that is ?

I'm simply offering my middleman services and asking proof of income.

You know what I'm talking about.

Plus you just started being a middleman, so I'd rather not risk with you and go with someone more reputable.

That was the last time I was asking you to stop ?

?

Please tell me what method I'm using.

Thanks for bumping up my thread for free ?

I advice anyone who doesn't wanna work to continue buying methods for \$40-\$50, they will make you rich for sure.

lol you sounds like you're getting defensive, all your girls seem to be from South America which are very easy to recruit, If anyone wants to know how to get 400+ OF girl leads PM me i'll teach u for free, don't buy this guys method, extremely overpriced

Thanks for the negative popularity vote OP, just makes you look like more of a scammer.

Why every one of you guys, when you get a proper answer say exact same thing: "Seems like you're getting defensive" ? It's like you are all the same guy ?

"All my girls seem to be" and where did I state where my girls are from? Continue with your toxicity, I asked you if you are already giving my exact same method for free, since you are saying that you know it, you can post it on this thread, noone needs to be PMing you, you have my permission, I'll honestly say if that's it or not, and everyone can try it out and let me know if they got any real models ?

Also no problems, you deserved it. I don't care what it makes me look like, I have 350+ finished contracted deals on here, 300+ of those are surely from various exchabges and you, who have 0 contracts finished, came here out of the blue sky, you are calling me a scammer? ?

You don't have 10 bytes to unlock some reddit traffic guide and you saying you have my method which I personally made and never gave to anyone, along with the software that was coded for me ?

I accept established and trusted middlemans from hackforums, I always did and I always will.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
