Thread: [FREE Purchase of ANY Fiverr Gig for you + 2.7\\$ BTC Extra](#)

StuffSneak - October 29, 2022, 4:19 am

This offer is now closed.

Thank you!

Spoiler ([Click to View](#))Hello All ?

I have launched a project & in order to promote the same, I am offering 10\$ BTC to everyone for any basic Fiverr gig (5\$) of your choice purchase.

It can be any Fiverr gig of your choice. I am not asking you to buy my or any specific gig.

So basically after Fiverr gig cost (5\$ + tax i. e. 7.3\$), you will be getting extra 2.7\$ BTC. (Not to mention 10\$ BTC is almost worth 11-11.5\$ Paypal as per the conversion rates in market atm so you are almost getting 4.2 \$ Extra here)

There are only handful of spots here & I am limiting these to upgraded members only for time being. OPEN FOR ALL.

Requirements-You must have proper Paypal account from which you can pay Fiverr.

Only supporting Basic package of gig (5\$ face value before taxes)

You must post on this thread and then PM me the gig link you want. I will send you further instructions.

You have to purchase the gig on your own. So you need to have funds/means to purchase on Fiverr (Paypal)

Once you follow the process I give you to purchase, I will confirm the same & send you BTC.

If you have any questions, feel free to PM me.

I think you'll get more requests in the Buyers Section, given you're kinda buying reviews. GI with your request.

Thanks for the feedback however I am not really asking anything in return really. Not even a review.

I am basically giving 10\$ BTC away only stipulation being out of this 10\$, 7.3\$ goes to a Fiverr gig & rest goes to your pocket.

I am kind of surprised no one has taken this yet. You are basically getting any Fiverr service free and 2.5\$ on top of it extra ?

Sent you a PM.

Maybe I should clarify one more thing, you can buy any Fiverr gig of your choice. It doesn't have to be my gig. (I actually don't have any gigs)
