Hello anyone recommend a coming war game on PC? Thanks

TB12GOAT - October 31, 2022, 5:54 pm

Goat simulator 3 comes out of Nov 17th!

There's a game called "THE FINALS" I'll be looking forward to on launch. Hoping it lives up to what I saw in the teaser

I truly hope so.

I am still stuck playing GW2, FFXIV and Apex Legends lol

Trifftherip - November 1, 2022, 11:08 am

Call of Duty Modern Warfare 2 just came out...

I'm looking forward to the Silent Hill 2 remake, even though it will come out late 2023/ early 2024.

Casp?r - November 3, 2022, 5:28 am

Stalker 2 and silent hill 2 I'm most looking forward to.

Waiting for that game too, my expectations are very high. Love playing The Forest.

Stay_frosty - November 3, 2022, 6:25 am

The forest 2 and stalker 2 are under my radar rn

TehAsylum - November 5, 2022, 1:27 am

Waiting for Hogwarts Legacy, it will come out next year in Febraury

I'd reckon Ashes of Creation will be pretty great once it comes out, but only if you like MMOs.
