Thread: [AUTOPILOT GRAY-HAT METHOD | \\$2000 a WEEK RISK FREE | LIMITED AVAILABILITY | 10 SPOTS](#)

Blame - November 1, 2022, 8:16 am

Hello, fellow HackForums users!

I am here to present you an amazing opportunity.

This sales thread is about a method which is 100% private, discovered by me.

The method is gray-hat(no risk for you). Guaranteed profit, Crypto payouts only.

You need to spend less than 30 minutes weekly on the system. Everything needed is provided, all you have to do is to execute the 7 steps guidance.

Each payout is received 3 to 5 business days. I will be double-checking everything for you to stay away from mistakes.

This is my most recent payout with the method.

The price I will be charging for this is \$750/spot in my group and 50% of your profits.

By joining my group, you receive 24/7 Support and Assistance directly from me.

Minimum Investment Required 0.013BTC(\$250~).

[Your funds will always be only under your holding.]

Looking for people living in the USA and Europe mainly but it might work in your country as well, I just have to double check so contact me to verify.

There are 10 available spots currently.

At this current stage, I am not able to expand more.

Add me on Discord: Blame#7091

Add me on Telegram: Blame1280

I will not sell this method to everyone around here. If I decide not to sell to you, its final. No explanations.

I will not discuss what this involves and what not. It doesn't matter as long as the method works and you make money with it.

interbellum - November 1, 2022, 8:17 am

Seems interesting! Lmk, I'm able to do this (pay the spot eventually with the earnings I'm getting).

StuffSneak - November 1, 2022, 9:57 am

I am also interested. Let me know if you deem my profile fit enough to earn the spot with the earned money.

_Misery - November 1, 2022, 12:28 pm

I'll also be willing to give this a shot if you deem me worthy, if not then I'll wait for a review or two before making a choice.

GLWS either way OP.

Zimhoni - November 1, 2022, 12:32 pm

GL to whoever he chooses, but do you accept MM?

KyO - November 1, 2022, 2:00 pm

Interested in this , i would like a vouch copy if you deem me trustworthy enough , done plenty of methods on HF before . [warn]

Shamrocks26 - November 1, 2022, 4:08 pm

Does this mean we'll make \$1,000 weekly considering you're taking 50% of profits earned?

I will keep this simple and short. We are going to exploit casino bonus system on a specific website. I have an insider that is working as a Customer Support on the website stated below.

The whole procedure is explained below:

1. You create an account on <https://blizz.io/> .
2. !!! YOU MUST INCLUDE CAPITAL I OR SMALL L(I) IN YOUR USERNAME !!! THIS IS VERY IMPORTANT !!!
3. After your create your account you will deposit X amount on your account.
4. You provide me with the Account ID, Email and your on-site Deposit Address (!!!FRESHLY GENERATED ONE!!!).
5. In 3-5 business days you will receive the additional X amount on the account(as 100% "welcome bonus").
6. When this happens, you will open a random slot and let it auto-play with 0.20\$ bet on a random slot of your choice for like 20 minutes.
7. Withdraw the whole amount into your wallet. After the withdraw is confirmed we split as follows:

150% of the balance goes to you, 50% goes to me.

All the calculations will be via BTC amount not on dollar amount.

EXAMPLE: (I will explain in fiat currency (\$) because it's easier to understand.)

You start with \$1000 deposit. You receive \$1000(100%) more as welcome bonus.

After you withdraw sucesfully, you get \$1500 and I get \$500.

You are NOT allowed to share/re-sell/leak.

You are NOT allowed to reveal the website or the nature of the method.

You are NOT allowed to message the support.

You are NOT allowed to gamble more than 5% of the total balance.

You are NOT allowed to hold my payments for more than 4h.
