Hurts to see Juve like that... At least Benfica got 1st with half of what PSG has, makes me proud to be Portuguese. My club got f'd tho by Frankfurt :(

flavoral - November 3, 2022, 7:02 am

Fuck the ref. Champions League is overrated anyways.

Europa League is where the fun is this season. Juventus, Barcelona, Sevilla, Ajax, Roma, Man U, Lazio. It's gonna be more interesting.

Fuck Maccabi and thanks to Benfica for the help <3

Calling Perez to make the Super League a thing quicker ?

Goods - November 3, 2022, 7:55 am

Damn cant believe he called you out like that. Imao used to love PSG though.

Nate - November 3, 2022, 11:45 pm

Sad day indeed for flavoral
