Thread: [Your Gold Stars - Get Noticed on Google TODAY!](#)

penza7 - November 3, 2022, 6:30 am

Get noticed on Google and drive more visitors to your website

Your Gold Stars collates and displays ALL your reviews as yellow stars on Google – right where your potential customers will see them

On average, this means a 35% increase in clicks through to your website

That's right, ALL your reviews from across platforms such as Google, Facebook and Yell are collated and displayed as golden yellow stars on Google's search listings

Imagine the advantage you would have over your competitors by displaying all your reviews right where your potential customers are searching

How Your Gold Stars will help your business get more quality inquiries from the internet... Make your web pages stand out from the crowd with golden-yellow stars.

Get a higher click-through rate (on average 35% more!!)

All your reviews are shown as a total next to your web pages on Google.

Boost customer confidence in your business.

Influences a higher ranking on local search results.

About Your Gold Stars

Your Gold Stars collects, and bundles your reviews then displays them as golden stars in Google search results. Clever software enables all your reviews to be shown beneath your Google Search Results.

Imagine that, all your Google, Facebook and industry-related reviews are bundled together and displayed.

Highly effective, simple to use and unbeatable value for money

Your Gold Stars will gather ALL your reviews and display them online, beneath your website's pages as stars in Google search results.

This means that the reviews you have on platforms such as Google My Business, Facebook, Yelp, and TripAdvisor to name but a few, will all be collected, bundled and displayed as a total.

And what's more, Your Gold Stars can be installed on your website in a matter of minutes and new review platforms added as you required as a total next to your Google search results. What better way to tell potential customers that yours is the business they should contact.

Highly effective, simple to use and unbeatable value for money

Your Gold Stars will gather ALL your reviews and display them online, beneath your website's pages as stars in Google search results.

This means that the reviews you have on platforms such as Google My Business, Facebook, Yelp, and TripAdvisor to name but a few, will all be collected, bundled and displayed as a total.

And what's more, Your Gold Stars can be installed on your website in a matter of minutes and new review platforms added as you require

Which review platforms can you collect and bundle from?

At present, we have 12 global players like Google, Facebook, Yelp, Tripadvisor, and some industry-specific platforms like Checkatrade, Yell and Trustatrader.

Our goal is to connect more than 100 platforms in the next 12 months

A few of our many success stories

Here's how Your Gold Stars has dramatically enhanced the online credibility of just some of our happy customers and helped drive more quality enquiries their way

Very Interested in selling this targeted to USA businesses in the masses!!

Whats your discord, and do you have an affiliate program?
Can this be set up so they pay in USA money instead of euro?

Easiest sale ever!!

I just hit you up on TG as well thx

littlemay - November 16, 2022, 9:28 pm

can I also buy google reviews as well?
