Thread: [I'm done flipping ~ I hit 100k today](#)

That's right. I'm cutting the addiction here & stopping at this glorious amount.

It does feel good to have a fat wallet full of bytes.

Suck my toes Stanley, I got my bytes back that you've been robbing from me everyday.

(I'm sure I'll come back one day and lose them all.)

Wow that's an amazing achievement. I wish I had the bytes bag award myself.

DashPHP - November 4, 2022, 9:53 am

That's impressive. How many bytes did you start with?

I flipped 5k to 25k and bought the bytes bag award, gg. Never had much luck or patience since.

Komodo - November 4, 2022, 9:54 am

Everytime I flip and make big I lose it all.

I stop while I'm ahead now and just sell them.

Well done flipping.

That is easily \$200 or more right there.

Glad you made something good out of the bytes I sent

It was there, now it's not. Time to give the slots some more spins.
