Thread: [INACTIVE GROUPS: What group owners are interested in an active group?](#)

Lrrr - November 4, 2022, 3:22 pm

It's pretty known that I can run one hell of a lounge group. I'm offering any group owners who want an active group to add me as leader. I can make your SF active within weeks and help create inside jokes and group community.

If you're looking for a way to have a more active SF and have actual group activity....and you want to own the best lounge group since Dawn...hit me up.

Komodo - November 4, 2022, 3:24 pm

Drip had some crazy activity, vouch.

And it wasn't even a lounge group!

Oak - November 4, 2022, 3:30 pm

I'll take an invite to this group as well. Not enough lounge groups out there, everyone tryna stunt.

That only applies to marketplace vouching. Most groups owners think this is marketplace but its not.

Real talk world cup is next weekend and one of the teaser releases is a remake of my second favorite gun of all time and rumors of a remake of my favorite gun of all time floating around too.

This is a great idea. Personally, I think he should be in every HF group, especially if they smoke the devil's lettuce.

I wanted to have him be a part of Eden, it felt like a place he'd really flourish.

And I don't want my lounge group funding it! I will, however, let you in.

If he smoked once, he wouldn't be able to live with himself since he'd love it so much.
