Thread: [UFC 281: Adesanya vs. Pereira Bets](#)

Money- - November 5, 2022, 9:24 pm

Any early bets placed for this?

I think I might give alex a try , previous alex dog play was lit honestly!

Here are my bets. This event is nice but I feel hard to bet too.

Yellow = Parlay

Purple = Single Bets

Blue = Dog Picks

jcole - November 5, 2022, 9:28 pm

Adesanya is defending his middleweight belt and I think he has a lot to lose, but Pereira has a lot to gain too. I'm leaning more towards the last stylebender and think it will be a good fight to watch.

Adesanya has improved quite dramatically since their kick boxing match. I'll always stick with Adesanya but I won't doubt Alex. Going to be one for the greats.

flyingduck - November 6, 2022, 12:26 pm

tough one, wouldn't bet on this because both fighters are great. Adesanya is in my top 10 fighters alltime.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

It will be real funny if izzy did become khabib.

But sure he'll probably win by points or KO who knows.

Would be nice and profitable as well good if alex won.

Updated the thread with my picks. This shit lowkey hard to bet.

Lmao , yooo chandler just sitting there he should keep defending. He probably got tired out and let dustin to sub him.

Nostre - November 12, 2022, 8:32 pm

What a straight up DOG fight.

Right?? Good work by both of these fighters. Definitely wasn't expecting a submission, thought it would've ended in a KO for sure.

Absolutely great work from the two!

Crazy wild fight indeed. That fifth round was wild! I honestly thought it was going to decision, but I also knew that closing the distance on Izzy like that was crucial for Alex. Props to all who bet and won

I thought for sure it was gonna go to decision. Crazy performance by Alex in the 5th. Just unleashed on Izzy and that was that.

Yeah I had Chandler, Puelles, and Izzy tonight on the bytes sportsbook. At least I'm closer to the sportsbook award.

I'm not entirely surprised because the size difference is nuts. I'm just excited I got to see this wild fight. I've been a fan of Adesanya, but he has always been really cocky

Haha right? Size played a huge role tonight.

And same here, big Adesanya fan but I feel like he had to be humbled a bit.

Here are my results. I dint bet a lot , small bet cause its hard to bet this event.
Thought I profit the most in bytes which u can check my history.

Money bet I profited like \$75 or something.

CheekyOneDat - *January 2, 2023, 5:07 pm*

Adesanya if he decided to put away his nails.
