I was unironically going to try this, but I couldn't stand to watch more than a few minutes. It feels like I'm watching MADtv but with the comedy stripped out. No idea what the fuck is going on.

Good luck to everyone, and best of luck to the group.

Each of you listen to me carefully. I will not ask again. Each of you will answer my questions and abstain from any interaction with anyone other than myself, and that absolutely includes, looking at and making faces at one another. At the inkling of a single further outburst, I will refrain from the pertinent judgment requested of me, and find you both in contempt of court, rendering you only less equipped to help your children, and that is not how I would like to resolve this. Are we clear?

The plot line wasn't the best and I believe they were all 3 boys (please correct me if I'm wrong) but the dedication to writing this correctly was top notch.

Good entry.

You leave those boys alone they're doing the best with whatever plotline they were dealt ?

Report [\(Click to View\)](#)

This is a book report on episode Tea and Shade aired on Youtube dated Jul 19, 2022 on Support Court with Judge Vonda B.

This episode is centered on Dre Lewis vs. Vagalina where Dre is bringing Vagalina to court for child support and health insurance. They were married before until Dre was found in compromised with another girl.

This is case number JVB1087 which is initiated by Mr. Lewis in Support Court with Judge Vonda B.

Judge Vonda asks Mr. Lewis to give opening statement. Mr. Lewis starts with some praises for judge maybe to gain her attention favored towards him.

He opens up accusing Vagalina being not part of taking care of their 3 kids and playing sports instead and he tells judge the age of their kids as 16, 12 & 9 to which Vagalina throws some gestures indicating that is wrong info.

Judge asks Dre to calm down and explain everything properly without any profanities. Dre continues saying that back when they were married, everything was good but then Vagalina started giving Dre attitude and not coming around anymore. So they get divorced and Dre gets to keep children custody without any child support. Dre indicates Vagalina not picking up kids even for Easter. Judge confirms that Dre wants Health Insurance & Child support and moves over to Vagalina for her side of story.

So far the opening statement outline:Vagalina stopped coming around

She started giving him attitude

She ignored kids

She does not help financially for child support & Medical Insurance.

Vagalina starts by saying when she got a job of building manager & one time when they visited the apartment for some maintainance, Dre was decimating a young lady's ear with an object. She also tells judge that She picks up kids on every weekend as well as Wednesdays. She also pays \$200

for the insurance & \$750 for child support per month since a year. She also says the children are 7, 9 & 11 years old and he has them playing vulgar video games and she wants their children to play any kind of outdoor sports.

So far the Vagalina's opening statement outline:She picks up her children on all weekends & Wednesdays.

Dre is engaged with vulgar/non-responsible activities.

Their children are getting bad influence from them

She is paying \$950 per month since a year

To this, Dre counters that Vagalina has paid \$785 total in whole year for child support that too in cash. Judge then points out the contradictions between their statements such as the payment methods, age of their children etc.

Dre then calls up a witness Ms. Shauntay Stevens. Vagalina looks surprised by it and mummurs that she was supposed to be her witness. Judge confirms with Shauntay that all of the statements from Dre are true and says that she is Dre's girlfriend.

After this verbal altercations starts between Shauntay & Vagalina where Shauntay is constantly demanding the money for kids & Vagalina is pointing out all of the vulgar profanities & things in past year. Then Judge decides to give them a wake up call to be calm & respectful to each other.

So far the next story:Dre calls Shauntay(his girlfriend) as witness to Vagalina's surprise.

Shauntay confirms all of Dre's story

Shauntay & Vagalina have verbal altercation where Shauntay seems desperate for money while Vagalina seems calm.

Judge calms the court down

Next, judge is ready with the verdict.

Judge pointed out that Mr. Lewis has custody of all children & he definitely needs to be paid child support & insurance money.

As Dre has brought a witness confirming his story & on the basis of testimonial evidence being the only evidence in the courtroom for that time as Vagalina did not have any supporting documents or witness on her account, Vagalina has to pay \$2860 per month & case is dismissed.

Reporter Remarks:

Judge was heavily influenced by testimonial evidence produced by accuser and gave the verdict without needing to verify any facts or physical evidence what so ever. We all were hoping for a satisfying ending but yeah. We don't always get what we want. So move on to the next drama!
