Thread: [Syndicate Crew for sale](#)

Pikachu - November 7, 2022, 5:24 pm

Selling my coven crew. I really don't want to sell but I may have to due to some unexpected financial issues on my end.

I will eventually buy a crew again or a group if things go well. The Coven will operate as an unofficial group for the time being.

Price is negotiable.

\$400 OBO

Let me know.

You know I think you're one of the best members on site. For this reason, I won't lowball you publicly. DM me and let's see if we can work out a deal.
