Thread: [Twitter Blue Badge Accounts \(Paid Subscription\)](#)

M4STERMIND - November 12, 2022, 7:17 pm

Looking to buy Twitter accounts with the blue badge verification (Twitter blue subscription).

Joined date doesn't matter, although the older the account, the better.

The seller must provide the country/city the account has been created and also should guarantee that the account will not be suspended immediately after changing the phone number and/or e-mail on the account.

I pay 70\$ per account.

I accept deals only via Escrow.

You're talking about Official Verified accounts correct?

Why pay \$70 for a \$7.99 sub?

Because you can't purchase it anymore.

They're making adjustments accordingly.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP

(Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

You can stop bumping this thread and don't waste money on these.

It will relaunch for sure after few tweaks.

- Elon Musk's Twitter. I wouldn't bother purchasing anything.

Due to this coming back out soon, I won't try overselling this.

I have 2.

I'd sell for \$15 BTC.
