Thread: [\[500 Bytes\] Teach Me Basic PGP Encryption \(Dark Web\) And I'll Send You 500 Bytes](#)

Lyrica - November 14, 2022, 12:35 pm

I need to encrypt my address for a dark web purchase but I can't figure out basic PGP encryption with public and private encryption key. It's probably really simple but I'm a retard. I have Cleopatra installed.

I'll do this for you but you have to accept the contract first. And you should have posted this in the looking to buy section of marketplace.

Hey bud, I accepted the contract but I can't PM or convo you.

Lyrica - November 16, 2022, 6:30 am

Lrrr did not get back to me, so I'm looking for a new guy to earn 500 easy bytes.

A bit stupid considering he said he'd help me lol. Can you help or know someone who can?

Lrrr - November 28, 2022, 5:01 pm

Sorry about that but I took the vacation ban before you accepted the contract. Are you still needing assistance
