Thread: [Python Dev for Scraping project](#)

XXX - November 14, 2022, 3:42 pm

In need of a python dev to help me with a scraping project.

I will give you access to a certain api and you need to code the logic to make it work as needed.

I can do this, I already have a running service

123 - November 15, 2022, 11:00 am

I can do this. Please send me more details.

twistedgothic - November 16, 2022, 12:32 am

ray i can do this for you no issues. pm me about it i have a way im scraping

i can even do it proxyless no cookie needed

Shellcode™ - November 17, 2022, 11:11 am

I do a lot of scraping programmatically, and I am on the point with the latest issues with Ig Scraping - I have a workaround of the limitations.
