Thread: [How to obtain Bytes?](#)

master-oogway - November 16, 2022, 2:32 pm

Hi guys! I just want to ask, how can I obtain some bytes? I was playing some games but that gave me only game money...

Thanks!

Mainly by posting (actual content, or useful replies, not spam threads/posts).

Can also buy bytes off of others, or if people are nice enough, they can donate you some.

As for the games; click the game controller in the top left corner under your username.

As said already you get bytes by posting. If you upgrade to leet and Uber you get even more bytes when posting + you get 1k bytes when upgrading to Uber. Can't remember how much you get for the leet upgrade. 500 or something like that.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
