Thread: [Devi0us IPTV - 400k Live Channels, 100k+ Movies/TV On Demand - 2022 World Cup Streams](#)

d3vi0u5 - November 19, 2022, 3:03 am

Free 1hr Trial is available! Please join the Discord group shown in the description of [this product](#) and open a support ticket to receive your free 1hr trial! The trial is 1hr as the World Cup is on and we find trial-abuse is high during this time.

Over 400,000 Live TV Channels!

Including all World Cup 2022 Live Games

Channel Category List Overview: <https://reentry.org/emwwwe>

Over 100,000 VODs!

Continuously updated with the latest Movies and TV Series

Replace your subscriptions!

Pulled from the biggest streaming sites like Netflix, Hulu, Disney Plus, etc.

You will receive an M3U8 URL + EPG URL. Additionally you'll receive Xstream API details.
[contract=tid]Start Contract[/contract]

Sure thing. Join the DC at the top of the channel list and open support ticket:

<https://reentry.org/emwwwe>

Alternatively PM me.

Here's the prices (USD). Considering I offer 200k+ channels and 100k+ VODs you won't find any cheaper elsewhere.

amadeous - November 19, 2022, 6:58 am

tested it works fine thanks op

Great! Glad you're liking it so far.

400k+ channels and 100k+ VODs. Always being updated.

Hi apologies - I was on hiatus. I'm back now. The IPTV service is still up and running FYI. I've still been using it personally pretty much every day.
