Thread: [25 bytes from daily check-in?](#)

I've been posting pretty frequently in the daily check-in post but I seem to never rise above 25 bytes in my account...

Hmm, that's odd? You're saying you do not receive 25 bytes each time? Are you only posting once per thread?

Bonus only applies to upgraded members according to the check-in thread.

You should upgrade yourself to be able to get 25Bytes daily in Check in thread.
