It is a life or death situation you have to chose

pms - November 21, 2022, 6:24 am

Gay son for sure, I'm not trynna have 10 different dudes at my house.

Prawnster - November 21, 2022, 6:46 am

Gay son because nowadays that means he can use this to force people to put up with him n if they don't then he can cry hate crime! (jk but still gay son).

DashPHP - November 21, 2022, 7:00 am

Gay son all day long..

LOLL love the Poll stats xD

.RTCX - November 21, 2022, 8:00 am

Thot daughter so she can make me money on onlyfans

????? - November 21, 2022, 9:13 am

Gay son ?, they have nicer personalities generally IMO

A thot daughter could be hella scary & entails more work emotionally.

StuffSneak - November 21, 2022, 9:19 am

What iss a thot daughter?

Celph - November 21, 2022, 3:47 pm

I'd rather have a gay son because then I could just stop talking to him and not care about it if I wanted. I wouldn't care if he was a normal person but if he was a thot gay son then I'd have same problems and probably disown him.

???? - November 21, 2022, 4:20 pm

Daughter for sure. Sorry if I offend anybody but gay men give me the creeps.

Lor?d - November 21, 2022, 4:52 pm

Definitely gay son, I'd lose my mind if I had a daughter and she was a whore.

Astounding - November 21, 2022, 4:53 pm

Molly and lemon juice.and gay son but not as gayvas u. Cuz u the gayest

Well this hypothetical poll didn't state the gay son would be a "thot" as it did with the daughter, so that's what I was going off of.

630 - November 21, 2022, 7:03 pm

Gay son 100%. If thot has a kid I don't want to be responisble.

hussain.spams - November 22, 2022, 12:51 am

This is a really tough question, but I think I'd have to choose my gay son. Well, he's just so full of life and happiness, and I know he'll always be there for me no matter what. Plus, he's really good at giving fashion advice

Taker66 - November 22, 2022, 3:23 am

if you are still responsible for the daughter/son then gay son = no worries about pregnancies

Much more likely. That is what a man is.

redditbaby - November 22, 2022, 10:39 am

Answering this is a real catch 22 since HIV is rampant in the gay community and thotting is now american culture like Chevrolet or something. I am stumped. I can't choose.

Bob White - November 22, 2022, 11:47 am

Gay son for sure. I have no problem with that and to boot I would not have to deal with him getting pregnant like the daughter. I would teach him safe sex and get him on prep early and he would be just fine.

Omniscient - November 22, 2022, 2:35 pm

I don't understand the question?

Is it which one do I not want to have or which one would I rather have?

Fortunate - November 23, 2022, 6:12 am

I wouldn't mind a gay son, he would be my son nevertheless.

If my daughter would turn up to be a thot, I'd be very disappointed.

Alpachino - November 23, 2022, 11:00 am

Gay son 1000000%

I tell him its ok to be gay but after you get out of home there comes a boy.

I never never never want a slut as daughter men

DeepWeb - November 23, 2022, 11:02 am

i would choose a gay son.

godsanji - November 23, 2022, 11:39 am

Nah a thot daughter is INSANE???!?!? gay son fs

BiNBo - November 23, 2022, 11:55 am

I'd chose the gay son every day of the week, I can be cool with my son liking guys. I don't know how cool I'd be about it if my daughter was know as, "that hoe over there."

HEISENPUG - November 23, 2022, 12:05 pm

Gay son as nobody wants a whore for a child.

Rionxee - November 23, 2022, 5:59 pm

This is a hard question to answer, I'd say child abuse.

SpiritualDose - November 23, 2022, 6:41 pm

Definitely a gay son. I'm super accepting of anyone, and especially enjoy helping individuals who struggle with this socially to feel accepted so I would give my son a great home to grow up in.

i'd rather have a gay son bcse who the fucks wants a whore as a daughter right?

Yin Yang - December 1, 2022, 9:31 am

so do you mean like... imagine all of the guys my gay son will bring into the house every week?

skrx0043 - December 1, 2022, 1:26 pm

Didn't realize things were so harsh on this forum. was actually just looking for a way to make some legit extra moola to support my family. I'm gay...btw... in a very stable relationship, even considering my past ones. I do think people here are a bit too harsh on gay ppl. we're just normal human beings, but i've found that I've been decriminalized against. In some way. Why don't we all put our differences aside... and just be a community.

a community where we all strive to be better. make more money. and care for our families. that's the overall goal for all of us, yeah?

EcomKon - December 1, 2022, 6:30 pm

Gay Son, because I've seen women do dicusting things. A gay dude isnt putting his stuff out there

littleblueguy24 - December 2, 2022, 1:11 am

Haha, best reply right here. "Ehh if I ABSOLUTELY MUST be responsible for a child I took part in conceiving, then I'd choose the gay son. But if I wasn't required to be responsible for them, then idc which."

?

Blockonome - December 3, 2022, 9:17 am

Gay son any day, as I would assume based on the poll, that he would not be a thot, but a respectful man, who would be looking for the right guy in his life. (Of course I would have to make another son who is straight, so he can reproduce my genes for the future).

Then I have to try my luck again with a third son, but if he is gay too, then I will give up and accept defeat!

Endorphins - December 4, 2022, 4:58 am

Having a gay son is just having a son with different sexual preferences. Thot daughter is uhm, lifestyle?

Clearly, gay son is way better here.

thot daughter cuz she may lemme hit roll tide

Cooligan - December 8, 2022, 2:51 pm

Gay son without a doubt.

Plus gay guys are stereotypically successful in life and thot daughters are not. Think of the long term investment here bois.

clean - December 8, 2022, 2:54 pm

If I had to choose between the two, I'd have to go with the gay son. We all know a thot/tramp in our life, and they're loud and usually just a thot. Obvious.

beetlebug - December 8, 2022, 4:46 pm

I think it's the same thing, cause both are thots ?

Tjm - December 8, 2022, 4:51 pm

Easy a gay son. If my daughter was a whore I'd disown her. Especially if she was like some bukakke skank. The ones I've seen like "Say hi to your dad!" "Hi daddy!" are like fuckkkk.

This is wrong now actually. Hetero HIV is much more prevalent than gay HIV. Not like there's a difference but yeah. I guess gays got a head start on dealing with it and how to combat it/make sure it doesn't happen due to unsafe sex. While straight people were told most of their life it's more likely to happen if you are gay so they were less prepared.

Basically

Gay Man: I gotta be safe and get regular check ups due to my lifestyle

Straight Man: I don't gotta be safe and get regular check ups due to my lifestyle, what am I, gay?

2xTheTap115 - December 14, 2022, 3:26 am

It's not an easy question, maybe it's weird but I think it makes no difference to me.

Either way, I'd have to accept it because it's not my life and it's not my choice??

I would go for thot daughter and let her live her life.
Just make new daughters with some other baby momma.

SpiritualDose - December 20, 2022, 11:27 am

Definitely a gay son. He can live his life how he wants and I would help support him and show him acceptance no matter what. I'd rather that than a bunch of boys in and out of my house, wondering when she'll get pregnant, heart broken, my stuff gets stolen etc etc.

Smexy - December 20, 2022, 11:28 am

A thot daughter seems more manage-able because she is just doing her thing.
A bullied son would be way more difficult to deal with.
