Thread: [Black Friday pt 2 \[Teaser\]](#)

Omniscient - November 24, 2022, 12:51 pm

I have decided to do another sale tomorrow for multiple awards purchased in Bytes. I have set aside 4 existing awards for the sale. This is a teaser so that you might want to have some bytes ready for tomorrow. As you can see from the scratchcard sale, these are limited time offers with pricing subject to change rapidly.

Enjoy your Thanksgiving but I suggest in 24 hours you show up to HF and take a peek at what's happening.

Thanks.

123 - November 24, 2022, 12:52 pm

I'm so excited [Omniscient](#)

NGL this is the best thanksgiving so far.

Komodo - November 24, 2022, 12:53 pm

Shame I just gave away all my bytes.

DemonAsylum - November 24, 2022, 12:54 pm

EVERYONE PREPARE YOUR BYTES!

If you don't have any than you better get some ASAP or be on and ready to do so tomorrow when these 4 awards go up for sale ?

Net - November 24, 2022, 12:58 pm

I just lost almost all my bytes flipping and then I saw this thread.

Not at a 3 for 1. I've always done 2 for 1. But I felt that a BIG BIG sale would be 3 for 1. I won't do it again anytime soon that's for sure.

The cheese looks too thick and cheap cheese too. Like that government yellow crap.

Burger done looks okay but again, too much cheese. I don't like a dripping burger.

So really, just try with a thinner cheese slice.
