I am not sure direct discord linking is allowed anymore OP. Moreover it sounds more like your Discord server's giveaway rather than HF giveaway. And also, it should be in [Member Contests](#) section.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

Ah ok I started a contest on that forum as you suggested and didn't involve linking any discord, etc!

Good job. Maybe you can close this thread so this one doesnt get spammed as well ?

All the best with your contest!
