will love to work with him every time
TOS

- No Refunds all purchases are final
- For platinum plan Polaris has a few kinks to work out as of now (TOS will be edited)
- This is for educational purposes anything you do with this knowledge is on you I am not responsible for your actions
- VPS IS NOT PROVIDED FOR FREE***
- Tools that are suggested for investment will not be provided I will teach how the tool works and the best way to utilize it
- Don't ask me to crypt your file I will have plenty of trusted services that will guarantee results
- For rat setup all must have anydesk for live setup.

I am not Responsible if you are to get scammed by fake rat vendors, crypters, exploits etc***

There's a lot of RAT / malware mentor-ships around the forums. But, lemme tell ya, I've been doing some collaboration with this fellow, and he's a genius on this shit.

Don't hesitate to hire him as your mentor.

Stanley - November 30, 2022, 2:39 pm

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

What are approx the costs of the needed tools, vpn etc?

doom3 - *April 25, 2023, 3:23 pm*

Interested in learning, do I need to know any programming languages in able to do good in this (have little knowledge in python)? I'm pretty interested on how to bypass AV (mostly about WD).
