How would you describe your 2022? Without considering the news, just your own adventures and experiences u made in this year.

Vitani's Mate - December 4, 2022, 3:48 am

Cunted..

That is pretty much what my year was... It was "cunted".

pms - December 4, 2022, 3:57 am

Smexy - December 4, 2022, 4:38 am

I feel you on this one, my best year would have to be 2020, worst is yet to come.

Yin Yang - December 4, 2022, 9:22 am

Inflation would be the one that comes to mind

Rahul007rhp - December 4, 2022, 9:38 am

Pretty Fu*ked up

With all the war going on , recession , bear markets , personal problems etc

StuffSneak - December 4, 2022, 9:44 am

Average

I can't recall a single really good thing happening this year.

Lyrice - December 4, 2022, 10:38 am

Chaotic, I think.

Dropped out of my school to pursue a plan I had that didn't work.

Alpachino - December 4, 2022, 12:28 pm

Quick as fuck boiii, this year went so fast, since covid the times is in timetravel speed. Its just wow

interbellum - December 5, 2022, 2:34 pm

Amazing.

Although some horrible things happened this year, I'm still pretty positive about it since I reached A LOT of personal goals this year. Also, I've worked a lot on my businesses and it really took off :-).

In one word:

Uneconomical

This year was not as fruitful as I had envisioned.

?nxy - December 6, 2022, 2:58 am

Hurt. God is relentless and can be a coward sometimes.

Mikasaki - December 6, 2022, 4:52 am

From page 1.

Uneconomical, I agree with that.

Spent way too much money this year (but the Oled was worth it)

Dumb shit happened, but good dumb shit also happened. So I would say "mediocre"

Royal ! - December 6, 2022, 9:43 am

It was pretty good. At-least better than 2021.

?ystem - December 6, 2022, 9:43 pm

One word? Let me just say that a single word can mean very different things depending on the tone in which it's said. But, for funsies, I'll let your imaginations interpret my tone in having defined 2022 as: [f-word]
