Who do I contact that can help me with the open dispute I have with a banned member 4 years ago on a deal that never went through to get it cleared?

"08-31-2018, 09:31 AM" - 1 open dispute

In a situation like this, I assume Admin would be the only person to contact.

Definitely an [Omniscient](#) issue, I'm sure he can resolve it for you if you reach out.
