Another high ticket service from a new member, last time this didn't really end well. It never has to be honest. Maybe you can provide this service to a reputable member?

500\$ is a high ticket price correct and not something everyone can spend on a product that has not been vouched for especially to a new member like you. All of these onlyfans services have been flops or exit scams. So i'd love to see you prove other wise! :)

OF TOP G - December 30, 2022, 2:58 pm
