Who do these comments come from? Any specific niche?

Random verified pages in groups we have. We don't offer niche specific at the moment for this service.

Are you offering any kind of trial? Would like to try it out and then order this regularly.

I'm not sure how that would affect that. It definitely wouldn't hurt though ??

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
