I've listened to more Christmas music this year than I ever have before. Guess I'm just really in the holiday spirit this year.

Last Christmas by Wham is my favorite Christmas tune but I love classic Christmas songs too and I've had this particular compilation of Christmas tunes playing most days since the month began

I think this is my favorite! I don't like traditional music, especially with kids, they get old. But this gem is a must!

ULTRA RUNNER-UP!!.....Let It Snow (1993) by Boyz II Men ft. Brian McKnight
