Thread: [Username Contest - \\$100 Reward - Christmas Giveaway \[Winners Annouced\]](#)

SecureOp - December 14, 2022, 4:57 am

Hello HF,

I'm looking for a new username, but ran out of creativity for the year.

So, why not ask the community and give something back? It's the season anyways.

I will give \$70.00 USD to the member who has the winning username suggestion. (if any)

I will give \$30.00 USD to a random post drawn from this thread. (via convo roll)

If a username is not selected from your crappy suggestions, the \$30.00 USD prize becomes --> 2 Winners @ \$50.00 USD

If you have no suggestions, you can post to enter the smaller prize.

Rule: Do not spam posts, keep it civil. Multiple entries allowed, as long as they are quality.

Rule: Any entry abusers will be disqualified.

End Date: 25th December, 2022

Prize: Crypto or HF Upgrades/Awards

Additional: All QL/Rep/Pop is appreciated but not necessary
