How Are You Celebrating Christmas This Year

Whether you're staying at home or visiting family, what are your plans for Christmas this year?

What are you wishing for? Maybe you're hoping to win some Bytes for this year's [PinkLSZ Event](#) or a new PC.

Either way, let us know below for a chance to win!

eXceptional - December 15, 2022, 12:23 am

I've got dinner plans with family at home.

jcole - December 15, 2022, 12:31 am

This year I will be spending time family almost like Thanksgiving this year, and we will have a big dinner while enjoying each others company and passing presents around.

Prettykitty - December 15, 2022, 12:36 am

Will keep it super simple this year, been quite busy recently so family might celebrate it at home if we have time to gather then.

MightyOne - December 15, 2022, 1:20 am

Cant wait to read everyone plans for this christmas!

We have a tradition each year that we make sure to clean out our closet and room from everything we didn't really wore/use and make a big pile for donation. The entire family is participating and we go together with everyone to donate it and spread the love.

Christmas for us is all about free love and giving, so we do our best to do so!

Eran - December 15, 2022, 1:56 am

Well I will most likely spend the first part of the day working, since I need all the overtime hours I can get at the moment, but then I will chill in the evening with my family with some good food and probably mulled wine along with good music

Yanix - December 15, 2022, 1:56 am

First thing in the morning of Christmas day, we will be going to attend our Christmas worship service then afterwards we will be on our family house for some gathering.

I wish for everyone here on the forum a great Christmas this holiday season. Enough blessings, peace of mind and good health.

My plans for this year's holidays are simple. I would just like to spend this time with my loved ones at the common table enjoying the magic of this Christmas.

Gifts don't matter here, as usual, a smile on their faces is enough for me. I learned that at the end of the journey called life, I will not remember what I got for Christmas, but that I had a wonderful family that I loved and who loved me. It's probably the best gift you can ever get. And that's what I wish each and every one of you this Christmas.

Much love and joy from the time spent with loved ones?

diablospartan - December 15, 2022, 5:33 am

We celebrate it in the family at home and no fancy restaurants etc .i dont like that

Laughing Man - December 15, 2022, 7:15 am

I will be with my mother, and in-laws. Christmas is lonely without my recently departed father.

What do I want for Christmas?, I don't like asking others to spend their money on me. So I never really want anything. However my most wanted last now is a hard wire kit for my dashcam.

Undead - December 15, 2022, 8:02 am

Spending it at home with family, watching the same old movies on TV

Xamarin - December 15, 2022, 8:04 am

SecureOp - December 15, 2022, 3:06 pm

Pretty much with a good joint (maybe a solid blunt) and a whole lot of fatty food.

Zexo - December 15, 2022, 3:10 pm

Not sure. Assuming I don't get this job i'll be with my family. If I do I will most likely end up in portland alone for it lol.

630 - December 15, 2022, 4:57 pm

This year for Christmas I am heading back to see family and friends. The only plan I have is to head into Chicago and have dinner one night with about 10 buddies. I'm super excited because it's the best Indian food ever. Then I just plan on relaxing and enjoying time with family.

Endorphins - December 15, 2022, 10:34 pm

We are now on our semestral break and I am planning to visit my parents instead of working my ass off.

I already got enough money to continue for the next semester so I am just going to enjoy this holiday.

Hope that everyone is doing what they love this Christmas. To all believers and enjoyers, let's all have a happy holiday.

Excellentum - December 15, 2022, 10:51 pm

Gifts under the Christmas tree and dinner with the whole family - I LOVE THIS TIME OF THE YEAR!

.RTCX - December 16, 2022, 1:49 am

InspectorGadget - December 16, 2022, 2:57 am

I don't really see any family at Christmas as I live too far away, but it do normally meet up with my old housemates and we have a Christmas dinner :)

We are all thinking about buying Goat Simulator 3, so I guess that is what I wish for!

ogRizah - December 16, 2022, 9:28 am

Lilith - December 16, 2022, 9:56 am

Probably won't be doing a single thing. Don't have anyone to do something with so maybe I'll just turn it into a "treat myself" day. Buffalo Mac n cheese, a nice bottle of wine, a couple great books. Follow that up with tikka masala for dinner and a nice scotch to sip on after.

Rahul007rhp - December 17, 2022, 7:07 am

Spending some quality time with my family and searching for a new job after this Christmas.

I wish for more bytes , want to chip in on sportsbook and flip the hell out.

You really get fucked on holidays don't you? Sorry man.

I'm going to try and host my family for Christmas. Should be fun since I've not seen everyone together in years.

????? - December 19, 2022, 2:20 pm

My plan this year is to hangout with family, possibly win some bytes from some giveaways!

Rionxee - December 19, 2022, 2:36 pm

Going out for evening shopping Christmas Eve followed by drinks at the bar and then dinner with my family, we usually always go out Christmas Eve and then spend Christmas Day at home relaxing with family and friends that come over.

Rev - December 19, 2022, 9:53 pm

You know, we don't really celebrate it.

We might give gifts and be nice but no special celebration. No tree. Nothing

Jinu - December 19, 2022, 10:36 pm

Planning to go to my wife's house and celebrate Christmas. My wife's relatives also will come so the dinner would be great. My baby boy would receive a lot of gifts.

Jean Castre - December 20, 2022, 2:21 pm

InspectorGadget - December 20, 2022, 2:22 pm

Most of my family lives away from me and it's too much hassle to try and visit over christmas, so i tend to just relax at home and then a few days later I will go and see my family.

Dredd - December 20, 2022, 4:12 pm

I'm having dinner at home with the family then most likely going to see the Mrs later on in the day, all

while hoping I don't get called out to an emergency job at the hospitals.

Ratt - December 20, 2022, 5:34 pm

Work needed a couple of volunteers to come in (double time pay) so I offered, family usually does all Christmas stuff on Christmas Eve at the grand parents, however of course the one time I work Christmas day, grandparents called off and parents going out of town lol. All by myself...

Rev - December 21, 2022, 6:42 am

As an update, looks like this year my Christmas might be celebrated in a hospital unfortunately.

On a bright side, I'm no doubt finding the hospital Santa and sitting on that lap. Perhaps follow him home. Rob him?

If I manage the three new ornaments by then I'd have more to celebrate :)
