The almighty JCS has returned after a whole year off YouTube! It's a banger as usual, I hope he makes more content soon!

Yeah it's yet another problem with YouTube's absolutely idiotic monitization policy, quality content like this doesn't get promoted or anything simply because of it's subject matter.

Wish they did, considering there's a bunch of other channels that do some what similar things..

Explore with us is another similar channel

I've seen a couple of these and it's pretty insane. It's almost like you can study someone and tell the moment they're going to break as you're following along with what JCS is saying.

Explore with Us are great.

I don't tend to give to Patreons, but they earned my sub haha.

God I can't wait to watch Critikal watch this video, then watch xQc react to the video then I'll watch Pyrocynical watch the video.

TheMedigator - December 22, 2022, 3:35 pm

Mate!! I've been sitting watching so many serial killer and crime things recently it's not even healthy, I've ran out of stuff to watch on netflix so moved over to youtube and I'm watching stuff like this.

Also watching loads of Coffeezillas videos at the minute, got to love a scandal

OMFG I can't believe I randomly come across this post on HF. I live for all this kind of shit. I'm constantly searching for JFC inspired videos to listen to while I'm doing housework because I can't stand to housework unless I'm being entertained..

It gives me painful flashbacks to being interrogated over something I didn't do at all though.

Singedx2 - December 22, 2022, 5:10 pm

OMGGGG IM SO excited!! Jcs one of my favorites

Biggy - December 22, 2022, 7:42 pm

I enjoy listening into his videos during a long drive or cardio at the gym. Glad to see he's making videos again.

Rionxee - December 22, 2022, 7:53 pm

Glad he came back, the other JCS inspired channels were good but his videos were really the creme de la creme of crime/interviews.

I'm watching this one now, mad how he almost got away with murder.. Makes you wonder if the other guy would have got the blame if he didn't have a solid alibi.

Stuffs mad as hell lol

The Pact - December 22, 2022, 8:10 pm

Anyone watch True Crime Loser here? He's a hilarious comedian that makes fun of everyone in the interrogations. He does an imitation of George Huguely V (the fifth.) The guy in this video.

"I just wanted to twalk to her. I just wanted to twalk! I said Yeardlwy let's twalk."

xend3434 - December 23, 2022, 4:42 am

I started following this channel too.

What an idiot this guy is. He must have never seen <https://youtu.be/d-7o9xYp7eE>

He had always, always, always got off everything he did because of being a high school and college sports star. He'd gotten a pass on assaults on men in the past and got probation only and he thought this was going to be another "assault" he could get a pass on because he could hit the ball with the stick!

Re Jim Can't Swim.....

I fear this was on a Christmas gift to us. ? The guy who never learned to swim did this last year with only one video. I wish they'd just come back and YouTube would stop being idiots.

I fear other true crime channel owners kept reporting these guys because they made SO MUCH money.

Jinu - October 17, 2024, 2:49 am

That's awesome! JCS always delivers with such deep psychological analysis in his videos. It's been a long wait, but it's great to have him back. Hopefully, this means more episodes are on the way soon!
